Mr E. L. Richards

Warden of Ch Church

Dr Sir I call'd last week with your Bank Book &c to explain how I came with it at same time I left a Statement of the Rents received for the last quarter & duly paid with a Check for the Balance that you might have it ready for your Quarter day, altho I was not yet to be out & am not known — among the Vouchers of Repairs charged was a Bill of Pinkney — as much or more yours than mine, a Check for it, to my great surprise I received from you under Cover, I now Enclose it as you will perceive you will want it —

I also Enclose you a Certificate for $2000 — City Loan, also Warrant of the Com^rs of Municipal Ch Ch Hospital requesting you executing a Power of Attorney on blank as before — and let me have it tomorrow morning as early as you can — Yours
